## Sticky Baits Krill Pellet 900g

£4.99

Perfect nutrition created 130 million years ago—the not so humble krill is the namesake of this extremely successful fishmeal-based bait range. The Krill has yet again been tailored to suit a carp’s dietary requirements through a blend of the freshest, high-quality fishmeals, milk proteins and birdfoods available on the planet! A bait that perhaps has the best track record in recent history.
